A NOTE FROM THE PRODUCING ARTISTIC DIRECTOR

Welcome to Civic Theatre's 2025–2026 Season: **Elevate**.

Each season, we aim to tell stories that move, inspire, and reflect the world around us; and this year, we are reaching even higher. With Elevate, we explore what it means to lift each other up through powerful storytelling, shared laughter, meaningful connection, and the transformative magic of live theatre.

This season is about more than just entertainment, it's about hope, growth, and imagination. Our lineup is filled with plays and musicals that challenge us to rise above, lean in, dream bigger, and believe in something greater. Some shows will take you to new heights emotionally; others will make your spirit soar with joy and laughter. In a time when it's easy to feel overwhelmed or disconnected, theatre reminds us of our shared humanity.

Behind every production is a passionate team of artists, volunteers, educators, and supporters who make this work possible. We are so proud of the many ways Civic Theatre brings people together on stage, behind the scenes, and in the audience and gives us space to feel, think, and grow. Whether you're joining us for your first performance or your hundredth, your presence helps elevate our mission and fuels everything we do.

Thank you for believing in the power of local theatre. Thank you for showing up for the artists, for the community, and for yourself. We can't wait to share this season with you and continue to elevate your theatre experience!

“Thank goodness for Smith Pest Control. They removed the creepy crawlies and have kept them from invading the theater and offices. Jeromy listened to us and provided treatments based on our needs! This is a community-minded, locally-owned business at its best!”

Ants • Spiders • Crawling Insects

Amazing service and totally reliable! Kid and pet friendly and his follow ups are second to none. Highly recommend. We had an ant issue and not only are they gone and managed quickly, Jeromy follows up timely and frequently to ensure amazing customer service. We will continue with the quarterly management of all pests and critters without hesitation and we are comfortable to let him know if we have a concern.

A NOTE FROM THE DIRECTOR

In my early years of serving as Civic Theatre's Director of Education and Outreach, one of my first spring break camps was directing/choreographing/and producing "Jungle Book, KIDS!" We put this show together in one week, without an actual music director and very minimal costumes.

It was so much fun that I continued to come back to this show for workshop material at Civic and songs to use in my music classrooms at school. When I approached Raquel about doing a "Civic Littles" production and featuring some of our up and coming performers in our community, I didn't even hesitate when she asked what show I wanted to do. There is something so lively and fun about the content in the "Jungle Book" musical that I just find magnetic. It offers gender flexible casting for both principles and ensemble that it also makes it an incredibly fun show to cast.

I did not expect to see 70 kids from our community show up to audition for this, and if I'm being perfectly honest, it was heartwrenching to cut so many truly talented and eager young performers. However, it was also encouraging to see another new generation of actors coming out to the stage and wanting to be a part of what I believe is one of the most wonderful experiences we can give our youth. I am proud to feature several new-to-the-stage performers for this show and can't wait to see more of these productions that spotlight our youngest actors.

This opportunity is unique and special, and one I would have done just about anything to experience as a kid, which is why it is so important to me now to continue providing these experiences for youth. I hope you will join me in celebrating the incredible courage and efforts of these young performers. My wish for them is to savor every moment—and not forget me when they are all famous Broadway performers someday.

Who's Who in the CAST!

GRADY GORSKI (Mowgli) is wild to be part of his second Civic Theatre production this season. You might have seen him previously in *A Christmas Carol Radio Play* (shout out to his cast mates!). He would like to thank Julie for giving him this opportunity; he has had a blast! He would also like to thank the rest of the directors, cast, and crew for making it such a swinging good time!

TOM HALL (Bagheera) is so happy to be a part of *The Jungle Book Kids* at Civic Theatre this year. Tom's previous stage experience includes the CYT production of *Seussical the Musical Jr.* (Wickersham Brother), CYT Improv performances, and singing in his school choirs at Sunnyside and now at Tecumseh. Tom enjoys reading, building things, playing with his little brother, and his favorite subject in school is math. He wants to thank his director, cast, and crew at Civic Theatre for this awesome opportunity and experience.

HAZEL BUCHER (Baloo) is a 5th grader at Klondike Intermediate School. She was most recently seen as the Cheshire Cat in *Alice in Wonderland* at the Knoxville Children's Theatre. She is grateful she can be herself with this cast, even if she is sometimes a little crazy. All her love and best wishes to her directors and teacher. And a shout out to DJ Jungle, her mom and dad and all the techs. A big thanks to each and every one of them as she couldn't do it without them!

JACK EWING (King Louie) is 12 years old and is currently in the 6th grade at Sunnyside Intermediate School. Jack is thrilled to play the role of King Louie in *The Jungle Book Kids*! This is his 3rd Civic Theatre of Greater Lafayette production, having participated in *Seussical the Musical Jr.* and *Beetlejuice Jr.* in 2025. Jack follows in his mother's footsteps with his love for theater and music. Outside of his ventures with Civic Theatre, Jack is also a member of Sunnyside Singers. He is beyond appreciative of all the training, advice, and support that he's received from the current staff, crew, and those that have helped him through his previous performances. He would like to also include a special note that *Jungle Book* is his grandmother's favorite Disney movie, so he's beyond excited for her to see his performance!

CHARLOTTE ADLER (Shere Khan) is very excited to have a part in *The Jungle Book Kids*. This is her first time in a production at Civic Theatre. When offstage she enjoys activities such as singing in choir, hanging out with friends, drawing, and reading. She would like to thank her director, cast, and crew for helping her have the time of her life. She would also like to thank her family and her best friends for support. Last but not least, she would like to thank the audience for being here. Enjoy the show!

JAMESON EVANS (Colonel Haithi) is an outgoing and enthusiastic performer who is excited to be a part of the production of *The Jungle Book Kids*. Jameson is a third-grade student at Dayton Elementary School, and has participated in his school talent show for the past three years. His previous experience includes playing the role of Pinocchio in a school production of *Shrek* and participating in the Radio Play Project at the Civic Theatre. Jameson is particularly talented in creating and performing with his own puppets and vintage ventriloquist dummies. He is a confident performer who enjoys singing and acting for any audience he meets.

LISSIE HENSLEY (Baby Elephant) is truly joyful to be appearing in her second play with Civic. Previously, she was a Who in *Seussical the Musical Jr.*, after spending part of the summer in *Wicked Camp*. She is so thankful to Civic for making it so she gets to stay up past her bedtime, and for helping her make so many new friends! Lissie would like to thank Miss Julie for helping her be brave, her friend Parker for all the times she tied her shoes, the cast and crew of *The Jungle Book Kids* for being welcoming, and her family for helping her always.

KIAYA GILLETTE (Kaa) is really excited to perform as the head of Kaa in this production of *The Jungle Book Kids*. You may have seen her as Toulouse in the Civic Theatre's *Aristocats* or as a jungle citizen in *Seussical the Musical Jr.* She would like to thank her parents for their support, her mom for driving her there every day and the director for creating the opportunity to do this show.

LUX KIRBY (Coil) is very excited to be in *The Jungle Book Kids*. This will be her second show with Civic, her first one being *A Christmas Carol Radio Play!* She is a sixth grade student at Sunnyside Intermediate School. Her hobbies are watching musicals, playing with her cats, dancing, and singing! She would love to thank her director, friends, and family for supporting her.

AC PARKS (Coil) is a 6th grader at Sunnyside where she plays cello in the orchestra and sings soprano 1 in Sunnyside Singers. This is her first stage production, and she is very excited to be performing with some of her good friends. She's also loved getting to know her cast mates and is very excited to share *The Jungle Book Kids* production with each audience! Outside of performing she likes to read, research, play board games, and eat cookie dough.

JUNIA KLINE (Coil) is a 4th grader at Edgelea Elementary. She is excited to be in her first Civic Theatre production. She enjoyed her most recent role as a munchkin in Jefferson High School's *The Wizard of Oz* musical. Junia spends her free time crafting, listening to music, and playing outside. She would like to thank Julie for being an amazing director!

ELIZA BUCHER (Coil) is a 3rd grader at Klondike Elementary School and thrilled to make her stage debut as Coil #3! She'd like to thank her directors for making this play possible, her parents for driving to rehearsals, and all the cast and crew for helping her and allowing her to be herself. She's really excited to play in Civic Theatre for you today! Thank you for coming!

MIRIAM KLINE (Coil) is a 3rd grader at Edgelea Elementary. She has enjoyed roles in Civic Theatre's *The Amazing Maurice* and *his Educated Rodents* and Jefferson High School's *Wizard of Oz*. Miriam spends her free time reading Harry Potter, playing video games, and swimming. She would like to thank Julie Baumann for introducing her to theater!

SAWYER HOLAJTER (Old Monkey) is very excited to be part of *The Jungle Book Kids* for his first-ever Civic Theatre production! Previously, he participated in Civic acting classes and a *Shrek, Jr.* workshop. He is in seventh grade at Klondike Middle School, where he was a basketball manager and is in Math Counts. In his spare time, Sawyer enjoys making new creations with his 3D printer, making videos for his YouTube channels, gaming, biking, hiking, serving at his church and spending time with family. He would like to thank his director, fellow cast, parents, siblings and grandparents for their love and encouragement.

AVA PENTICUFF (Silly Monkey) is thrilled to be part of *The Jungle Book Kids* and is having so much fun! This is Ava's second theater performance; her first was as a Munchkin in Jefferson High School's production of *The Wizard of Oz*. When not on stage, Ava enjoys reading and dancing, and her favorite subject is P.E. She thanks her friends and family—especially those who traveled far to see her perform. Ava is grateful to her teachers at Glen Acres, the coordinators at Hanna Center, and to Jess for her encouragement. Most of all, she thanks her mom for introducing her to theater and supporting her dream of being on stage.

STEVIE BAUMANN (Sassy Monkey) is a 3rd grader whose first time on stage was as 7- month- old- "Baby Simba" in Civic Theatre's 2018 production of *Lion King, Jr.* She has taken multiple classes and camps through Civic Theatre, starting at age 3. She loves her vocal coach, Ms. Abby, and has taken several dance classes through Studio B. This is her first production since learning to walk, appearing as Sassy Monkey. She would like to thank her grandparents for coming to see her performance.

LACHLAN HENSLEY (Grumpy Monkey) is very happy to be onstage for his second performance with Civic. Alongside his younger sister, he spent last summer as a Who in *Seussical the Musical Jr.* He would like to thank Civic for being so kind and patient when they're helping him learn. Also, Lachlan would like to thank Miss Julie for directing such a wonderful play, the cast and crew of *The Jungle Book Kids* for being so much fun, his mom for introducing him to theatre (and for all the driving!), and all his brothers and sisters for supporting him in everything he does.

ELLIE BOSZOR (Shanti) is thrilled to be back on stage for the fourth time this season! She has previously been in *The Hobbit (Gollum)*, *Beetlejuice Jr. (Ensemble)*, *Seussical the Musical Jr. (Jojo)*, and *Mac Beth (Witch 1)*. Ellie would like to thank the cast, crew, helpers, and most of all Julie for making this show such an amazing and fun experience. Ellie is so grateful for all of the love and support from her family and friends.

LIAM HENSLEY (Jungle Thistle) is overjoyed to be back on Civic's stage. Previously, he appeared in *Seussical the Musical Jr.* as Horton the Elephant and as Billy Sanford in *School of Rock*. Liam would like to thank Civic for being so kind, encouraging and for helping him find his voice. In addition, Liam would like to thank Miss Julie and Micah for making such a wonderful atmosphere to work in, the entire cast and crew of *The Jungle Book Kids*, the West Lafayette Public Library for opening doors, and of course his family for showing up for him over and over again. Enjoy the show!

NAOMI GILBERT (Jungle Lotus) is in 5th grade at Lafayette Christian School. She is so thankful for another opportunity to be part of a show at Civic. She was previously in *The Amazing Maurice and His Educated Rodents* as Rat #3. She loves spending time dancing, singing, playing the violin, and snuggling with her pet rabbit, Maple. She is thankful to her parents for continuing to support her dreams and allowing her to pursue all of her talents, and her siblings for always cheering her on!

CALLUM ROBERTSON (Jungle Banyan) is thrilled to be part of the Civic Theatre's production of *The Jungle Book Kids*. This is his second year in West Lafayette and his second time performing on stage. When he's not practicing his "bare necessities," Callum enjoys playing the cello, practicing flag football, playing video games, and spending time with his dog, Lucy. He has a strong entrepreneurial spirit and loves coming up with creative ways to earn money, from dog-walking to sewing bracelets. Callum also loves traveling and has already visited six countries. His favorite way to explore the world is by cruise ship.

NORA MIRKIN (Dizzy) is so excited to be part of her very first musical, *The Jungle Book Kids*, at Civic Theatre this spring. When she's not on stage, she enjoys arts & crafts, shopping, doing her nails, skin care, and playing soccer. She would like to thank her director for teaching her, her mom and dad, Scott Hines, and her friends for supporting her.

RYAN MIRKIN (Ziggy) is so excited to be part of her very first musical, *The Jungle Book Kids*, at Civic Theatre this spring. When she's not on stage, she enjoys doing arts & crafts, playing soccer, and shopping. She would like to thank her director, Scott Hines, her mom and dad, and her teacher for supporting her.

WYNNE GORSKI (Jungle Ensemble) has been eagerly looking forward to being part of her very first production at Civic Theatre! She is in 3rd grade, and outside of performing she enjoys gymnastics, dance, and soccer. She would like to thank the directors, cast, and crew for their hard work and for bringing her so much joy during their time together. She would also like to thank her family for their love and support.

RORY GORSKI (Jungle Ensemble) is a 3rd grader and is thrilled to be part of her very first Civic Theatre show! Outside of *The Jungle Book Kids*, Rory loves art, dance, gymnastics, and soccer. She would like to thank Julie, Micah, Carol, and the rest of the cast and crew for making this such a fun experience! She would also like to thank her family for their support and encouragement.

Who's Who in the CREW!

JULIE BAUMANN (Director/Choreographer) is a music teacher with an eclectic background in performance, directing, and teaching theatre for the past 25 years. This season she played Truvy in *Steel Magnolias*, and is a current member of the One Size Fits All Comedy troupe. She last directed CYT's *Godspell, Jr.* and is thrilled to be back in the directing role. She leads various after school music enrichment programs for her two schools including show choir, ukulele club, and a musical theatre program. She is a current teaching artist with Civic Theatre and is looking forward to leading a stand-up comedy class for youth this spring. She would like to thank this amazing cast and crew for all of their hard work.

MONICA SHAEFFER (Music Director) *The Jungle Book Kids* is Monica's 8th Civic Youth show as music director. She is also the full-time music director at Trinity United Methodist Church and also a private piano, voice and violin teacher as well as a regular performer around the state on piano and vocals. She is mom to three incredible "babies", Jack (20,) Juliet (18,) and Evana (15,) and wifey to Craig for 22 years. In her spare time she loves to pull out her old piano books to challenge her brain, lift heavy weights to get those gains, eat copious amounts of protein, and shop. She wants this cast to know how wonderful they have been to work with; fun, enthusiastic and mini pros. Break a Leg!

MICAH DAVIS (Assistant Director/Backstage Manager) hopes you find this production of *The Jungle Book Kids* to be bananas! She is incredibly proud of this cast for all of their hard work making this show happen. In the past she has participated on the production teams for other youth shows such as *She Kills Monsters* (Director) and *The Amazing Maurice and His Educated Rodents* (Assistant Director) to name a few. She would like to thank Julie for being the best boss she's ever had and continuing to bring her along for the ride after nearly a decade. Enjoy the show!

GRIFFIN VALIANT (Stage Manager) is delighted to be Stage Managing a show for the first time. In the past, you may have seen him on stage in *Beetlejuice Jr.* or *Almost, Maine*. Outside of Civic, he is homeschooled, and loves spending time with his cats and his family. Griffin would like to thank Julie for this wonderful opportunity; Micah, Carol, Alli, and Monica, for their help and hard work; and the wonderful cast.

ALLI CHANEY (Costumer) is thrilled to be part of her first main stage show! After a decade of making costumes for her own personal cosplay pursuits, she is excited for the opportunity to make costumes for others. She enjoys foamsmithing, sewing, 3D modeling & printing, laser cutting, leatherworking, and more. You may have seen Alli as an actor in the 12th & 13th Annual Short Play Festival and the 2025 Staged Reading of *The Thanksgiving Play*. She would like to thank Nathan for always supporting her, and her kitties, Freya and Lola, for letting her leave the house to attend rehearsals.

WESTON BUCHER (Soundboard Operator) is a 7th grader at Klondike Middle School, loves making art on and off the stage. He's been seen in productions of *Alice in Wonderland*, *Anastasia*, *Aladdin*, *Sleeping Beauty* and *A Christmas Carol*. In addition to his work onstage, he loves to make magic behind the scenes in scenic design, costumes and now sound. He wants to thank the director for taking a chance on him, his family for their endless support, and all the inspiring artists that have come before him. Enjoy the show!
